

05 BEADS

Beads offer the highest standard available on the market. The high-quality precision cutting and the clear through-hole achieve high brilliance and clarity.

Rounded hole edges reduce the wear on thread and increase the durability of designs. The assortment is divided into classic, romantic, and progressive shape characteristics. They are available in the latest fashion colors, effects, and cuts. BeCharmed Beads with SWAROVSKI ELEMENTS engraving are now available in the Beads assortment. A wide range of colors and effects opens up endless possibilities for different combinations and designs. The main application techniques are beading, wiring, stringing, and weaving. Beads are available as loose crystal elements or as forward-integrated elements.
