

07 PENDANTS

Pendants have timeless elegance and are available in a large range of classical and avant-garde cuts and shapes, as well as in many colors and effects. Pendants offer a whole range of design possibilities for different segments thanks to their easy application, with the hole on top requiring only a jump ring/ pinch bail with a chain, or cord. Because of the diverse range of sizes available, Pendants are ideal for creating jewelry sets such as necklace, bracelet, and earrings.
